SUMMER SESSION

P R E S T I G E D A N C E S T U D I O . C O M

June 17th - July 24th

Prestige Dance Studio offers our summer classes on a punch card system.

Each punch is good for any one class specific to your dancer's age group during our 6-week session.

This system is specifically designed for dancers to explore our different class offerings and identify new interests without the commitment of a year-long class.

We also understand that your summer is busy with vacations, camps, and other summer activities that may make it difficult to commit to a regular schedule.

Punch Cards:
