Tumbling students in Levels 1-9 will also wear Black Crown Shorts which will be available for order on the Recital Agreement Form in February.

## Classes

Teacher assignments will be announced before classes begin. Staff and teachers reserve the right to place students in the appropriate level. Students age 6 and up will be placed in levels based on technical ability and maturity. Students are evaluated throughout the year with report cards being sent home mid-year and an email sent with recommendations for the following year prior to April enrollment. Students should expect to spend at least two years at each level. If at any time your student is continually observed as having improved past Spring recommendations, we will reassess levels.

## Recital Fee

An annual Recital fee is applied to each family with dancers participating in our annual Recital. This is split into two equal payments and due along with tuition on the 1st of the month in February and March. Payment of \$86 (\$43 per month) for families with one dancer participating in Recital or \$120 (\$60 per month) for families with two or more dancers participating in Recital. ## POLICIES

Billing & Late Fees - Tuition is charged to your bank account on file on the 1st of the month. An email statement will be sent as a reminder on the 20th of the month prior. A \$35 fee for any ACH charges returned from the bank and an additional finance charge for balances left after the 5th of the month will be applied. All payments must be current for dancers to receive costumes or apparel, participate in class or perform in any show, recital or competition. A 7% sales tax is added to all fees in accordance with Iowa State Law.

Concurrent Enrollment Requirements - All Jazz, Lyrical, Leaps & Turns, and Pointe students must have concurrent enrollment in a Ballet class of the same level. Pointe classes are by invitation only.

Inclement Weather - Prestige Dance Studio reserves the right to decide whether or not to hold classes in the event of inclement weather. Check your email or our Facebook page for any cancellations.

Absences - Email us if your student is going to miss a class. Dancers are allowed to make up most missed classes. No refunds will be given for missed dance classes. Tuition fees will not be adjusted for late registrations or missed classes.

Dress Code - In order for dancers to get the most out of their classes, students must be in proper dance attire, including hair worn in a neat and secure bun and applicable dance shoes. No jewelry, gum or dangly earrings are allowed. [Visit our website for the exact dress code specifications for your class.](#)

Cancellation of Enrollment - Notice of discontinuation of class is required [in writing via email](#) by the 10th of the month prior. Drops after the 10th of the month must pay the tuition fee associated with the following month. Drops after January 10th, 2025 are responsible for all remaining monthly installment payments in order to cancel registration.

Parent Observation - Parents may only enter a classroom when invited by the instructor. As a courtesy to all dancers, this is to prevent distractions during class time. Please talk to the office staff or send us an email if you have any questions or concerns. We understand that adjusting to the first few classes may be difficult for some of our Tippy Toes students. Parents may join students until they warm up to their teachers, peers, and surroundings until October 1st.

Lobby Expectations - Please be considerate while in the lobby or viewing areas of the studio. Dancers and instructors inside the studios can hear loud noises from the lobby. Minors must be supervised at all times within the walls of Prestige Dance Studio. There should be no running, yelling, or mishandling of merchandise, water fountains, or restroom facilities.
